Why-MBA story worksheet

Questions that turn your past, your goal and your reason for this school into one clear story.

Where you have been

Which two or three moments at work changed what you want to do?

What did you do in those moments that someone else in your seat might not have done?

Where you want to go

Your goal right after the MBA, in one line: role, type of company, and region.

Your longer-term goal. Why does it matter to you, not just to your CV?

Why now and why this school

What gap stands between you and that goal? Be specific: skills, network, or credibility.

Name two things at this school, such as a course, a club or a person, that close that gap.

Before you start writing

- [ ] Your goal fits in one sentence that a stranger understands
- [ ] Your past makes the goal believable
- [ ] The gap is something an MBA can actually close
- [ ] Every school reason would not work word for word at another school
- [ ] Someone who knows you has read your answers and recognised you
