Ask the school

- [ ] What is the official cost of attendance for this year?
- [ ] Which scholarships can I still apply for, and by when?
- [ ] Do you work with lenders who do not need a co-signer?
- [ ] When is the deposit due, and can it be refunded?

Use current figures

Costs and exchange rates change. Start from each school's published cost of attendance and today's exchange rate, and note the date you checked.
